

# Culminating Performance Task: Part A

---

## Essay: Critical Perspective Analysis (20% of summative mark)

Prior to this unit, several critical perspectives were explored. Each lens can be used to perform an in-depth analysis of a text.

### Criteria:

Analyze your chosen CPT text using one of the critical perspectives explored in this course. Use the guiding questions to help you to form an opinion. Review the introductory material provided to you in the CPT unit folder in D2L.

\*Note: You cannot use the formalist lens or archetypal lens as your chosen perspective

Be sure to include the following in your essay: [Essay Format](#)

- Thesis statement
- A minimum of three main ideas
- Each main idea should have a minimum of one direct reference from the text with MLA citations (the other supporting details can be paraphrased events from the text)
- Formal diction
- You may choose to use secondary sources to enhance your argument (optional)
- Minimum 5 pages

### Submit:

- Essay (typed, double-spaced, 12-font, Times New Roman, Works Cited page, MLA format) → May 31, 2023 at 11:59 pm
  - Emailed submissions will not be accepted. Consideration for past-due submissions will only be given with medical documentation.
  - Additional time for students with an IEP have already been factored into the timeline of work periods and due date
