

MID TERM ASSESSMENT

Date of Submission: March 29, 2023

Time of Submission: 11:59PM

Total Grade: 25 marks

Total Word Limit: 1000 words (including footnotes) for each answer.

Answer any two (02) questions. Both the questions are for 12.5 marks each.

Questions:

1. Does law school act as representation for hierarchies in the legal and corporate world? Describe your experience in the law school as a student.
2. Can philosophers provide meaningful commentary on lawyers?
3. Is a lawyer's actions in his professional capacity a reflection of his morality and ethical leanings in his personal life? Discuss.
4. Explain the Indian Legal Framework regulating fees charged by lawyers. Also discuss the current position relating to contingent fees in India.

Grading:

1. The assignment will be evaluated based on the quality of your presented work, the integration of relevant literature, and the thoughtfulness and critical orientation of the analysis. Your work should demonstrate a sophisticated understanding of the readings and the existing problems in from an ethical point of view.
2. You will be graded on the identification of issues, the substance of your writing, the presentation, the writing style, and the format of the work.
3. This work must be done by you individually. The instructors will deduct grades at their discretion if they feel the submissions indicate a similarity between two or more submissions indicating any level of collusion or discussion between them.
4. Grades will be deducted for plagiarism in any form, exceeding the word limit and for late submission.

Plagiarism Guidelines:

Submissions will be checked for plagiarism (through Turnitin software or other means), and marks will be deducted in case the plagiarism report produced reflects similarity of more than 25%.

Plagiarism of more than 40% will earn zero marks for the submission.

If the plagiarism report reflects similarity of 25% - 40%, marks may be deducted at the instructor's discretion.
