** To be filled in by IDEA Academy*

Assessment Task addressing the Learning Outcomes.

Please answer both questions:

AQ1.

As a financial manager of one of the major companies in Malta critically discuss which are the financial statements you would study and why to measure the company's performance for 2021. (50% of the mark)

AQ2.

"Accounting ratios are useful to measure the strengths and weaknesses of a business."

Discuss this statement. In your answer use accounting ratios of Farsons to analyse the liquidity, profitability, and solvency of the company for the year 2022. (50% of the mark).

Use the links below to access the financial statements of Farsons.

<https://www.farsons.com/en/financial-statements>

<https://www.farsons.com/en/financial-analysis-summary>

Guidelines to the student

**For question (b) click on the given links to prepare a proper evaluation of the ratios of an actual company.*
