

CA4- Thought paper (take home assignment)

Dear students of Batch A and B,

The submission date for CA4 is Nov 16th (A) and 17th (B) till 10 pm. You are required to follow the systematic review method for preparing a thought paper. The systematic review paper will be a synthesis of findings/evidence suggested on the topic listed below. In this research method, the author uses critical methods to identify and access studies in the given area/topic; interpret and critically appraise, and conclude the interpretation into refined evidence-based conclusions.

Choose research articles (at least 3 or 5) not more than 20 years old from one of the following topics- 1) Research methods in neuroscience; 2) Relationship of brain, emotion and behavior.

Word limit- 700 to 1000 words (min)

Referencing and in-text citation style- APA 7th ed.

File- Word or pdf with student's name

Plagiarism- not more than 10 percent (attach the report along with the thought paper).
Check with software available online for free.

Submission- on Moodle or via email

Late submission- Student is allowed to submit late with penalty (1-2 days delay= -2; 3-4 days delay= -4; 5-6 days late -6. Beyond 6 days will earn zero mark)
